18 October 1993

DENR Special Order No. 1357
Series of 1993

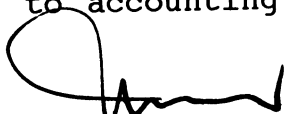

SUBJECT: Authority to Conduct the Seminar on Toxicity Testing for the Development and Verification of Marine Environmental Quality Criteria

In the interest of the service and in order to train the technical personnel of DENR and other agencies concerned on the procedures and data requirements in the formulation of environmental quality criteria for the marine ecosystem, authority is hereby granted to the Research and Development Division (RDD) of the Environmental Management Bureau (EMB) to conduct a Seminar on Toxicity Testing for the Development and Verification of Marine Environmental Quality Criteria to be held at the Conference Room of the Asst. Secretary for Management Services, Ground Floor, DENR Bldg., on 21 October 1993

Resource persons of the Seminar are Dr. Gary Vigers and Ms. Cathy McPherson, Project Director and Toxicity Testing Specialist, respectively, of the Executing Canadian Agency of the ASEAN-Canada Cooperative Programme on Marine Science Phase II (CPMS II). Seminar participants are technical staff from the following institutions:

1. Phil. Council for Aquatic and Marine Resources Research and Development (PCAMRD);
2. University of the Philippines - Marine Science Institute (UP-MSI);
3. De La Salle University;
4. Coastal Environmental Program/DENR; and
5. EMB.

All expenses to be incurred in relation hereto shall be chargeable against EMB funds subject to accounting and auditing rules and regulations.

JOEL D. MUYCO
Officer-in-Charge
Office of the
Undersecretary for
Environment and Research

Recommending Approval:

RACHEL A. VASQUEZ
Asst. Director, EMB
