

DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

19 November 1993

DENR SPECIAL ORDER)
NO. NR :
Series of 1993

SUBJECT: Designating Engr. Raul Tejada as DENR Coordinator for the Clean Technology Project.

In the interest of the service, and in order to ensure the smooth operations of the Clean Technology Project under the Metropolitan Environmental Improvement Programme (MEIP), Engr. RAUL TEJADA, Senior Environmental Management Specialist of the Environmental Management Bureau, is hereby designated as DENR Coordinator of said Project.

As Coordinator, Engr. Tejada shall work closely with and supervise the work of local and expatriate consultants commissioned to conduct Pollution Management Appraisals of participating industrial firms. He shall also work with the MEIP National Program Coordinator and report to the Steering Committee. These responsibilities shall be in addition to his present assignments.

This Order is effective immediately and shall be in force until the completion of the Clean Technology Project or until revoked by the undersigned in another Order.

JOEL D. MUYCO
OIC, Undersecretary for Environment and Research
