DENR Special Order
No. 511
Series of 1993

APR 23 1993

SUBJECT: Designation of Engineer V Artemio A. Apurada, Chief, Regional Surveys Division, as Officer-in-Charge, Lands Management Services

1. In the exigencies of the service and to avoid the disruption of the delivery of services to the public, Engineer V Artemio A. Apurada, Chief, Regional Surveys Division, in addition to his regular duties and responsibilities, is hereby designated as Officer-in-Charge, Lands Management Services, DENR, Region XI, while Regional Technical Director Matias Z. Vergara, Jr. is on official sick leave of absence.

2. As Officer-in-Charge, Engineer Apurada shall exercise all the functions delegated to Regional Technical Directors under DENR Administrative Order No. 38, series of 1990, including the following:

- 2.1 Approve and sign maps and plans of all kinds of land surveys;
- 2.2 Sign ancillary orders affecting the issuance of patents, and the award and/or execution of lease contracts for lands covered by public land applications; and
- 2.3 Exercise such other functions as may be assigned to him by the Regional Executive Director, from time to time.
- 2.4 In his designation, he shall sign all documents and correspondence as follows:

For and in the absence of the
Regional Technical Director:

ARTEMIO A. APURADA
Chief, Regional Surveys Division
(Officer-in-Charge)

3. This Order is for the good of public service and shall take effect immediately and shall automatically be revoked upon the return of Regional Technical Director Matias Z. Vergara, Jr..
