DENR SPECIAL ORDER NO. 74
SERIES OF 1993

**SUBJECT: Committee to Develop the Assessment
Methodology for the Identification of
Hazardous Wastes in Subic Naval Base.**

In the interest of the service, and in order to determine the possible existence and extent of toxic chemicals and hazardous wastes within the Subic Naval Base, there is hereby created a Committee for Hazardous Wastes in Subic Naval Base.

The committee's tasks shall include the following:

- 8
1. inventory of available data and their sources;
 2. coordinate with the Bases Development Authority for site verification activities and data needs;
 3. develop an assessment methodology for the identification of toxic chemicals and hazardous wastes;
 4. prepare the plan for conducting the assessment, including cost estimates; and
 5. submit list of possible sources of technical expertise and funding.

The committee shall be composed of the following:

Chairman	The Assistant Director, EMB
Vice Chairman	Ella Deocadiz
Members	Angelita Brabante Esterlito Pinlac Ray Peñalba RTD for Environment, Region III Leonardo Faller, NCR

The Committee shall submit its final output to the Secretary and shall consult with and seek the assistance of other units within DENR, other government agencies, local government units and technical experts.

Expenses to be incurred by the Committee in the implementation of this Order shall be charged against EMB funds subject to government rules and regulations.

This Order takes effect immediately.

ANGEL C. ALCALA
Secretary
