SPECIAL ORDER No. 77
Series of 1993

SUBJECT: CREATING AN AD HOC COMMITTEE COMPOSED OF MEMBERS FROM VARIOUS DENR BUREAUS/AGENCIES TO CONDUCT FEASIBILITY STUDY OF LOBOC WATERSHED AS A SOURCE OF POTABLE WATER FOR BOHOL AND CEBU.

In the interest of public service and in connection with the request of Congressman Erico B. Aumentado (2nd district of Bohol), regarding the proposal to tap the Loboc Watershed as a potential source of potable water for Bohol and Cebu City, an ad hoc committee is hereby created to study the feasibility of such proposal and conduct an ocular inspection of the site. All reports/findings will be submitted to DENR within one month from the issuance of this Special Order for further deliberation and proper action.

The committee will be composed of the following members with technical background, to wit:

- | | | |
|----------------------|---|---|
| Dr. Medel Limsuan | - | Chairman, ERDB, Watershed Management Specialist |
| Mr. Antonio Daño | - | Member, ERDB, Hydro-meteorology Specialist |
| Mr. Esterlito Pinlac | - | Member, EMB, Water Quality Specialist |
| Mr. Nestor Molina | - | Member, ERDS-VII Technical Representative |

The members are entitled to reasonable travelling allowances and other similar expenses chargeable to their respective offices' allotments and subject to the usual accounting and auditing rules and regulations.

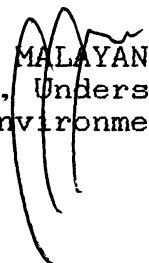

This Order takes effect immediately as soon as the committee is reconstituted.

RECOMMENDING APPROVAL:

CARLOS C. TOMBOC
Director, ERDB
