11 June 1993

DENR Special Order No. 884
Series of 1993

SUBJECT: Authorizing Dr. Nicolas Uriarte to Participate and Assist in the Analysis and Interpretation of Socio-Economic Impact Assessment (SEIA) Economic Data under the CARP-ISF R & D Program

In the interest of public service and in order to facilitate the analysis and interpretation of SEIA economic data of the Bamboo/Rattan, Cutflower, Tikog and Wildfood livelihood projects under the CARP-ISF R & D Program, this office is granting authority to Dr. Nicolas Uriarte, RTD for Research of ERDS, Region VI to participate and assist in the abovementioned activity for a two-week duration.

All expenses to be incurred by Dr. Uriarte in the conduct of the said activity shall be charged against the ERDB's CARP-ISF R & D Program funds subject to the usual accounting and auditing rules and regulations.
