DENR Special Order
No. 93
Series of 1992

JAN 28 1993

SUBJECT: Creation of an inter-agency team to evaluate the Tamaraw Conservation Programme Gene Pool Farm at Rizal, Occidental Mindoro.

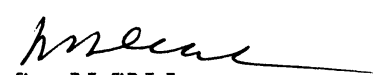

In the interest of the service and in order to determine existing programme facilities, management and operation systems that need upgrading, validate UPLBFI's accomplishments on the Tamaraw Conservation Programme and identify/chart the programme's thrusts and direction for 1993, there is hereby created for this purpose an evaluation team composed of the following DENR personnel:

- 1) Mr. Ruben A. Callo - Team Leader (ERDB)
- 2) Ms. Carmelita I. Villamor - Member (ERDB)
- 3) Dr. Manuel V.A. Bravo - Member (ERDB)
- 4) Ms. Simplicia A. Pasicolan - Member (ERDB)
- 5) Mr. Wilbur G. Dee - Member (PAWB)

All expenses that will be incurred in the pursuit of this objective will be charged against the team members' Office allotment and subject to usual accounting and auditing rules and regulations.

The team leader shall immediately set the specific evaluation dates not exceeding ten (10) days inclusive of travel time. An evaluation report to include recommendations shall be submitted by the team to the DENR Secretary copy furnished the Director, PAWB within 10 working days upon completion of the evaluation.

This Order takes effect upon approval and supersedes all orders/instructions inconsistent herewith.
