NATURAL RESOURCES

FEB 03 1994

DENR SPECIAL ORDER)
No. 125 :
Series of 1994)

SUBJECT: CREATION OF AN OPTIONS STUDY COMMITTEE TO EVALUATE AND RECOMMEND FOR THE ACQUISITION OF AIRCRAFTS FOR DENR OPERATIONS.

In the interest of the service and in order to provide the Secretary with ample options in availing/acquiring the services of aircrafts for use in various DENR programs and projects, an Options Study Committee is hereby created composed of the following:

Undersecretary for Field Operations	- Chairman
Undersecretary for Natural Resources Management	- Vice-Chairman
Director, Forest Management Bureau	- Member
Director, Mines Geosciences Bureau	- Member
Director, Environmental Management Bureau	- Member
Director, Protected Areas and Wildlife Bureau	- Member
Director, Ecosystem Research Development Bureau	- Member

The Committee shall plan and identify DENR areas of concern that would urgently necessitate the services of aircrafts for more effective prosecution/implementation of various programs and projects.

The Committee shall study options on the modes of acquiring the needed aircrafts and shall recommend to the Secretary whether to purchase or lease the same.

The Committee shall prepare and submit to the Secretary a Comprehensive Procurement Plan complete with details on estimated costs, design, etc. to serve as guide in the ultimate acquisition of the appropriate aircrafts.

This Order takes effect immediately.

ANGEL G. ALCALA
Secretary
