

DEPARTMENT OF  
ENVIRONMENT AND  
NATURAL RESOURCES

SEP 11 1995

SPECIAL ORDER  
NO. 95-1011  
Series of 1995

SUBJECT: Creation of Technical Evaluation Committee for DENR-Bid No. 11-07-E-ICB-95 (Supply, Delivery and Installation of Air and Water Quality Monitoring Equipment for ESL-EMB)

In the interest of the service and to obtain the most advantageous offer to the government on the above-captioned bidding, the Technical Evaluation Committee (TEC) is hereby created to be composed of the following:

Erlinda Gonzales	-	Chairman
Robert Co	-	Member (ESL-EMB)
Rey Penalba	-	Member (ESL-EMB)
Rene Morente	-	Member (ESL-EMB)
Ma. Lourdes Ferrer	-	Member (PBAC Secretariat-FASPO)
Edgar Saniel	-	Member (PBAC Secretariat-FASPO)

The Committee shall be responsible in analyzing/evaluating the submitted bid proposals with regard to compliance with specifications required by the end users. They shall prepare an abstract of their findings to guide the members of the PBAC on which offer shall be most advantageous to the Government.

The Committee is also authorized to evaluate compliance of the supplier/contractor during the actual delivery of equipment/services.

This order shall take effect immediately until the final acceptance/payment of the equipment being procured.

  
RAMON S.P. PAJE  
Assistant Secretary and  
Chairman, DENR-PBAC
