ERDB	To be arranged	June 10-11, 1997	Elvero Eusebio Florendo Barangan Dioscoro Melana Monina Uriarte DENR-PPSO Rep. DENR-EPDO Rep.

The team shall evaluate completed and on-going R & D projects vis-a-vis the attainment of objectives and adherence to the approved programs of activities. They should also be able to identify the following:

1. Problems encountered during the implementation and recommend specific courses of action in accordance with the recommendation of the evaluation panel;
2. Technologies generated requiring field testing, verification and pilot testing;

3. Mature: technologies ready for packaging, dissemination and utilization;
4. Significant reports for policy formulation and development planning of the Department; and
5. New researchable areas.

A secretariat shall be formed in every region/venue which will be chaired by an ERDB Planning Staff. The Secretariat shall prepare the necessary documents needed for the review such as:

- a. List of on-going and completed studies; and
- b. Result of previous years In-House Review and In-House Review form

It shall also be responsible for the consolidation of all evaluation forms and the preparation of the summary Output of said review which shall be submitted to this Office not later than the end of August.

All expenses to be incurred in the conduct of said review shall be charged against the respective offices subject to the usual accounting and auditing rules and regulations.

This Order shall take effect immediately.

VICTOR O. RAMOS
Secretary
