SPECIAL ORDER
NO. 98 - 260

SUBJECT: AUTHORIZING THE LOW-INCOME UPLAND COMMUNITIES PROJECT TO CONDUCT A WORKSHOP ON TARGET RESTRUCTURING OF COMPONENT ACTIVITIES TO BE HELD ON MARCH 25-28, 1998 AT PUERTO GALERA, ORIENTAL MINDORO

As a result of the Asian Development Bank (ADB) Review Mission's assessment of project implementation in both Mindoro Province which cited the Project's projected change in scope of component activities, the LIUCP is hereby authorized to conduct target restructuring to be held in Puerto Galera on March 25-28, 1998.

The workshop will primarily be attended by FASPO, Project Coordinating Office, Provincial Project Management Offices and PENROs' planning and budget officers.

The objectives of the workshop are:

1. To review and revise target vis anticipated surplus in the light of increased forex;
2. To determine target distribution and implementation schedule of various activities under the different project components; and
3. To identify major adjustments in the approved re-allocation for the Project.

The cost of the workshop will be borne by the Project subject to accounting and auditing rules and regulations.

This Order shall take effect only on the date specified above.
