SPECIAL ORDER
No. 99 - 57
Series of 1999

SUBJECT : Creation of Technical Evaluation Committee for the Supply and Delivery of Fiberglass Hull Pump Boats for the Forestry Sector Project (ADB Loan No. 1191/1192-PHI) Bid No. DENR-FAPs-02-7-E-IS-97 (Rebid)

In the interest of the service and to obtain the most advantageous offer to the government on the above-captioned bidding. The Technical Evaluation Committee (TEC) is hereby created to be composed of the following:

DIONISIO TOLENTINO	-	Chairman (NFDO)
ROWENA CAÑADA	-	Member (NFDO)
EMMANUEL DAVID	-	Member (GSD)
AL OROLFO	-	Member (MSO)
MA. LOURDES FERRER	-	Member (LPD-FASPO)
PRUDENCIO CALADO III	-	Member (LPD-FASPO)

The Committee shall be responsible in analyzing/evaluating the submitted bid proposals with regard to compliance with the specifications required by the end-user. They shall prepare an abstract of their findings to guide the members of the PBAC on which offer shall be most advantageous to the Government.

The Committee is also authorized to evaluate compliance of the supplier/contractor during the actual delivery of equipment.

This order shall take effect immediately until the final acceptance of the equipment being procured.

ADRIANO B. NAVA, JR.
Assistant Secretary and
Chairman, PBAC
