Special Order

No. 99- 98

**SUBJECT: TECHNICAL COMMITTEE TO OVERSEE THE VERTICAL
EXPANSION PROJECT OF THE DENR MAIN BUILDING**

In compliance with P.D. 1594, item 1-B2(3) IRRs, as amended, July 12, 1995, an in-house technical committee is hereby created to supervise the ongoing construction work in connection with the vertical expansion project of DENR Main Building, to be composed of the following:

Chairman	Engr. Roberto S. David	
Members	Engr. Benjamin C. Lepardo	Civil Engineer
	Engr. Melchor Q. Bangaol	Structural Engineer
	Engr. Antonio T. Moreno	Electrical/Mechanical Engineer
	Luis C. Canchela	Architect

The above committee shall be responsible for the proper management of the said ongoing project and report regularly on its progress.

For strict compliance.

ANTONIO H. CERILLES
Secretary
