SPECIAL ORDER

No. 2000-47

SUBJECT: Authorizing the Conduct of Visits to the Proposed Prototype Sites for the Land Administration and Management Project (LAMP)

In the interest of the service and in preparation for the forthcoming World Bank appraisal of the newly-approved Land Administration and Management Project (LAMP), the conduct of site visits to the proposed LAMP prototype sites, and consultation with local offices of national government agencies thereat, is hereby authorized.

The site visits and consultation shall be conducted in order to select a suitable site for the Project Prototype on Systematic Adjudication, Coordinated CARP Activities and Registration.

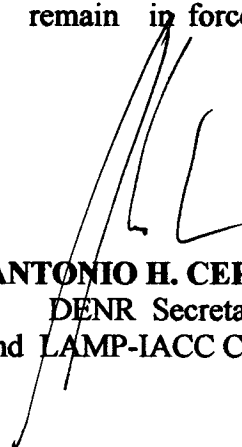

A composite team led by the LAMP-PMO together with representatives from member-agencies of the LAMP Inter-Agency Coordinating Committee (hereinafter, collectively, "the Team") shall conduct the visits and consultations from January 17 to February 4, 2000 at possible sites located in the following provinces: AGUSAN NORTE and SUR, LEYTE and ILOILO.

A report shall be submitted to the undersigned five (5) days upon completion of the site visits. Final selection of the site shall be made by the LAMP-IACC.

All plane fares to and from the sites shall be shouldered by LAMP-IACC funds being administered by DENR, subject to the usual accounting and auditing rules and regulations. Other incidental expenses of the Team members shall be charged against the funds of their respective agencies.

All concerned DENR regional and field offices are hereby instructed to render all necessary logistical and technical assistance to the Team.

This Order takes effect immediately and shall remain in force for the duration of period authorized for the site visits.

ANTONIO H. CERILLES
DENR Secretary
and LAMP-IACC Chairman
