**SPECIAL ORDER**

FEB 07 2002

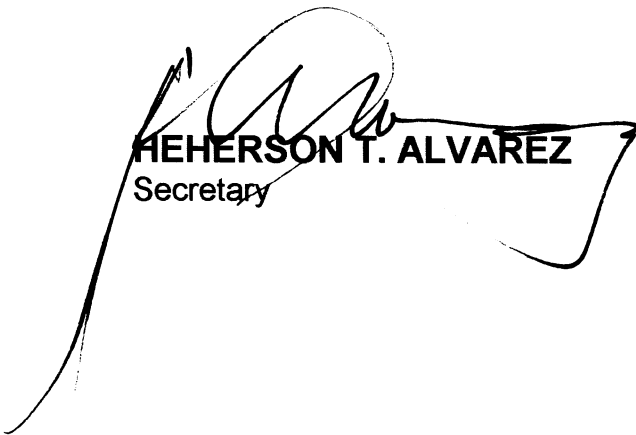

Series of 2002 No. 2002-119

**SUBJECT: TEMPORARY OFFICE OF ECOGOVERNANCE PROGRAM  
MANAGEMENT STAFF AT VISITORS' CENTER, PAWB**

In the interest of the service and in view of the repair and renovation of the Natural Resources Management Program building, which is assigned as the final location for the Ecogovernance program office, the Visitors' Center at the PAWB will be temporarily assigned as its headquarters. Only the office spaces at the left wing of the building are to be occupied by EcoGov, leaving the entrance-exhibition hall and conference room at the ground floor and the Convention Hall at the 2<sup>nd</sup> floor for general use.

This temporary arrangement immediately ceases as soon as the renovated NRMP office becomes ready for occupancy this June, 2002. It must be emphasized this contingency measure in no way creates a precedent.

This Order takes effect immediately.
