SPECIAL ORDER
No. 2002-235

MAR 20 2002

SUBJECT : Creation of a Technical Committee to Review the Environmental Suitability of the Sites Proposed for the Construction of the Septage Treatment Plant (STP) under the ADB Assisted Pasig River Environmental Management and Rehabilitation on Sector Development Program

Pertinent to the abovementioned project and in order to assure that the selected site proposed for the construction of the Septage Treatment Plant (STP) under the ADB Assisted Pasig River Environmental Management and Rehabilitation Sector Development Program (PAREMAR) comply with environmental requirements for siting and operation, the following are hereby designated as members of the committee:

1. Director Julian D. Amador - Chairperson
EMB Central Office
2. Director Sixto E. Tolentino - Member
EMB-NCR
3. Mr. Renato T. Cruz - Member
Chief, Water Quality Management Section
EMB Central Office
4. 1 Technical Staff Representative from the Office of Undersecretary for Environment and Natural Resources Operations

The Committee is expected to complete the evaluation and submit a report of the recommendation within 5 days from the formation hereof.

This Order takes effect immediately.

HEHERSON T. ALVAREZ
Secretary
