No. 2023 - 59

FEB 22 2023

SUBJECT: CREATION OF TECHNICAL WORKING GROUP (TWG) TO REVIEW OUTPUTS OF THE ASIAN DEVELOPMENT BANK'S (ADB) TECHNICAL ASSISTANCE (TA)-6539 REG PROJECT

In the interest of the service and in order to mainstream into the DENR knowledge products developed from ADB's project entitled, TA-6539 REG: "Investing in Climate Change Adaptation through Agroecological Landscape Restoration: A Nature-Based Solution for Climate Resilience", a Technical Working Group (TWG) is hereby created to be composed of the following:

Chairperson : Executive Director, River Basin Control Office

Members : Representatives from:

- DENR Regions 10 and 12
- Foreign-Assisted and Special Projects Service
- Forest Management Bureau
- Biodiversity Management Bureau
- Environmental Management Bureau
- National Water Resources Board
- Climate Change Service

The TA-6539 TWG shall have the following roles and functions:

1. Provide a technical review of the outputs of TA-6539 project; and
2. Provide guidance on and monitor the implementation of project activities based on project targets and schedule.

The Executive Director of the River Basin Control Office (RBCO) shall convene the TWG whenever its service is required. Moreover, the RBCO staff shall provide Secretariat services to the TWG.

All expenses to be incurred by the TWG in the exercise of its functions shall be charged against RBCO funds subject to the usual accounting and auditing rules and regulations.

This Order shall take effect immediately.
