No. 51
September 25, 1991

SUBJECT: Prescribing Guidelines in the Survey of Newly Identified CARP Landholdings Within Cadastral Projects Under Verification and Approval

In order to provide uniformity on the survey of CARP areas in cadastral projects, the following guidelines are hereby perscribed:

1. Newly identified titled CARP lots within a Cadastral Survey project, whose complete survey returns have already been submitted and undergoing verification/approval shall be subdivided, say Lot 25 and the subdivision lots are numbered as lots 25-A, 25-B ... etc.
2. The survey shall be undertaken by administration or by private practitioner using the module approach upon authority of the Regional Executive Director thru his Regional Technical Director for Lands.
3. The survey returns of the isolated surveys including all required documentations covering such areas shall be submitted to the Regional Office concerned for verification and approval in accordance with Section 415 of the Manual for Land Surveys in the Philippines.

This order takes effect immediately.
