MEMORANDUM

FOR : The Undersecretaries and Assistant Secretaries
Regional Director, NCR
Bureau Directors and Heads of Attached Agencies

FROM : The Undersecretary for Management and Technical Services
and Chair of the DENR Scholarship Committee

SUBJECT : **BACHELOR OF SCIENCE IN ENVIRONMENTAL SCIENCE
(BSES) AND MASTER'S DEGREE IN ENVIRONMENTAL
MANAGEMENT**

DATE : 08 September 2003

As part of its commitment in environmental protection and sustainable development the Philippine Women's University (PWU) is offering Bachelor of Science in Environmental Science (BSES) and Master's degree in Environmental Management, through its Institute of Education and Management for Environment and Habitat (IEMEH). The courses will be on a trimester period starting January 2004.

The DENR through the Local Scholarship Committee and the PWU during its initial meeting, agreed to conduct said courses within the compound of the Department's Central Office. Expenses shall be borne by students but discount will be given under the PWU's Career Assistance Program (CARE), for a minimum of 20 enrollees. Classes will be held after office hours on Fridays and on Saturdays.

We are inviting interested employees to enroll. Please coordinate with the Human Resource Development Service (HRDS) at tel. nos. 928-1169, 920-4371 to 74 for more details.

For your information and appropriate action.
